

SPORTS AND CULTURAL EVENTS OF SKNMC

SKNMC Pune gives importance to the academic as well as physical activities of the students, as it is well said that “There is a healthy mind in a healthy body”.

SKNMC is affiliated to MUHS (Maharashtra University of Health Sciences). MUHS conducts 2 major events under A.I.U (Association of Indian Universities) & “Krida Mahautsav” by Govt. of Maharashtra.

Students go through the selection procedure in early stage, at college level. Then they are sent to the “Zonal selection trials” of A.I.U and “Krida Mahautsav “events after selection at zonal level. They represent the MUHS team for “WEST ZONE INTERUNIVERSITY COMPETITION”

Many students of SKNMC have participated and got selected for both A.I.U and “Krida Mahautsav” events.

Student’s representation in respective games:

Badminton: 2, Table Tennis:2, Swimming:3, Lawn Tennis:5, Kabaddi:1, Basket Ball:5.

COLLEGE SPORTS

SKNMC organizes various sports in an academic year, like

1. ESCALADES
2. MEDIFEST
3. MORYA
4. SYNCYTIUM

The above sports and cultural events are conducted in an academic year of a student. There are “Invitational tournaments” in which other colleges participate (other than medical colleges) because of which SKNMC students get MORE EXPOSURE to the field and can compete very strongly with the opponents in future competitions. And also it helps the students for different selection trials which further take them to participate at national / university level competition.

The above all sports activities are conducted under the instruction and observation of professionally qualified sports teachers.

SPORTS INFRASTRUCTURE

SKNMC has fantastic infrastructure for sports and physical activities having a huge PLAY GROUND and GYMNASIUM separately for boys and girls where students do their physical activities.

SKNMC gymnasium has various indoor activities like Table tennis, Chess, Carom, Yoga etc.

The above all sports events and the gymnasium facilities are well planned in advance by **Dr. Sachin Wankhede** (HOD Microbiology), who is the Sports Co-Ordinator of the institute.
